REPORT OF THE GENERAL SUPERINTENDENT

Dr. Wayne Schmidt, General Superintendent, was welcomed by Dr. Mark Gorveatte, to present the State of The Wesleyan Church Report.

Dr. Wayne Schmidt, General Superintendent, shared from John 15 on the challenge to LOVE ONE ANOTHER. He emphasized the need for our churches to think like a new church plant, as he highlighted new church plants all across the United States. We were challenged to go after a God-sized dream. It's not the size of the church but the size of the heart. We are blessed as a Church by the strength of our laypersons who share in the priesthood of believers.

Dr. Schmidt thanked us for the strength and help of the wonderful spirit-filled people on this Crossroads District. He also recognized the district for leadership of Dr. Gorveatte for encouraging baptisms across the district.

Dr. Schmidt's report was received by the conference with appreciation.

SPECIAL GUESTS

Brotherhood Mutual Representative, Marv Miller, shared information how Crossroads District is partnering with Brotherhood Mutual for church and clergy insurance needs.

DISTRICT SUPERINTENDENT'S REPORT

Dr. Gorveatte shared the highlights of how the Crossroads churches have risen to the challenges of this pandemic. Stories were then shared of how God has worked in miraculous ways through it all. Leaders of our churches have refused to let the pandemic cancel their calling to launch new Kingdom communities to reach more people for Christ.

Pastor Andy and Leanza Riemersma will launch ONE Church in Westfield this coming year. The Crossroads District will then have 17 new Kingdom communities that are less than 5 years old.

Dr. Gorveatte stated, "We are compelled by the love of Christ and the heart-breaking reality that 3 million Hoosiers do not yet have a life-giving relationship with Jesus Christ and His Church. We are praying and working toward celebrating 1,000 new believers baptized, 100 new disciple-making leaders unleashed, and 10 new Kingdom communities launched in a single year.

Why not this year?"

Dr. Gorveatte's report was received with appreciation.

REPORT OF THE DISTRICT TREASURER

Rev. Craig Thurmon presented his first District Treasurer's report for the Crossroads District. Special thanks and appreciation were given to Mr. Kevin Batman and Shared Services for all their guidance in moving forward as Treasurer for the Crossroads District. He reported that even through a pandemic year our district churches still gave 96% of the United Stewardship Fund. All praise and glory to God to His Churches!

KINGDOM COMMUNITIES CHALLENGE FOR 2021-2022 CONFERENCE YEAR

At the conclusion of the Conference, Dr. Gorveatte issued a challenge to the District with the following highlighted:

“Today we mark our fifth year as the Crossroads District and the 50th year of our precedent districts. This year also marks 172 years of Wesleyan meetings for district conferences in Indiana, with the first district conference of this new Wesleyan holiness and abolitionist movement held in 1849 at Westfield.

A lot has changed in 50 years. We have gathered those two districts as one. We have planted an average of 3 new Kingdom communities each year. While that’s progress from the 1 per year we were averaging before our merger, the need around us calls us to press on. Let’s keep praying and working together toward the day when we’re launching 10 or more new Kingdom communities every year. Yes. Your church can plant a church. Put it on your prayer list. Put it in your budget. Put a date on the calendar. **Here’s the challenge: Could your church claim one of those cities for Christ?**

- Could you prayerfully partner with three or four nearby churches and support the launching of a new Kingdom community?
- Could it be that the church planter is already leading a small group or volunteering in your youth ministry?
- Will you take that challenge to your board?
- In which nearby city or town would your church be most likely to plant a new Kingdom community?

The good news is that we have the tools to assess, train, deploy, and coach these planters. Our team has matching funds that can double your investment.

Together we can make a Kingdom Difference by planting new Kingdom communities throughout our Crossroads District.

A media presentation of **“The Church Triumphant”** was shown following Dr. Mark Gorveatte’s challenge to all of us in attendance.

COMMISSIONING PRAYER

Dr. Jim Lo, our District Coordinator of Prayer, prayed over those who stepped forward, who accepted the District Superintendent’s challenge to pray for a way to launch a new Kingdom Community in the year ahead.

The worship team from Indianapolis Trinity led the congregation in songs of commitment as the 5th Crossroads District Conference came to a close.

ADJOURNMENT

The 5th Crossroads District Conference adjourned at 4:30 pm.

Annual Report of the District Superintendent

This is the first annual conference report I've ever submitted for a year fully lived under pandemic conditions. On January 31, 2020, a national public health emergency was declared by the US Secretary of Health and Human Services. Covid-19 became the first truly global pandemic of our generation.

Masking, PPE, social and physical distancing all became part of our everyday vocabulary. Pastors and members tested positive. Hospital staff were overwhelmed. Loved ones died alone.

By March of 2020, churches across the nation were directed to stop gathering in person for worship. Ministry models on which we had relied for hundreds of years were disrupted. Only a few of our churches had online ministry before the pandemic. Today, only a few don't. Online preaching, board meetings, discipleship groups, children's ministry, and prayer services were just some of the ways our churches responded to the opportunity disguised as a problem.

Our DBA saw the growing need and immediately authorized release of \$150,000 from reserve funds for Great Commission grants, property maintenance grants, and Thrive grants for parsonage families. The DBA also waived two months USF contributions (approximately \$100,000) in conjunction with the one month of relief approved by the denomination. These funds were only available because of the faithful stewardship of your churches down through the years coupled with the DBA's commitment to operate with margin for the unforeseen. Like Joseph of old, the reserve of better years was prepared for this extraordinary time of need.

Only a few months into the pandemic, racial tensions flared again across America in the injustice of more tragic deaths including Breonna Taylor, David Dorn, and George Floyd. Black lives matter to God and they matter to us. We are blessed to have outstanding African American pastors and their families serving in key roles on our Crossroads District team. Listen to their stories. Hear their hearts. Stand together for God's righteousness, justice, and mercy. Pray for and partner with these brothers and sisters as together we make disciples who make disciples.

Grieving and lament are an unescapable part of the human experience. The pandemic created a tremendous sense of loss. Lost friends and relatives. Lost jobs and financial security. Lost rituals and traditions. Some things as simple as shaking hands with a new acquaintance or hugging a friend now felt like a distant memory.

I've sat and listened to pastors who felt like their churches were just starting to gain momentum when Covid19 hit us last spring. They struggled through the lockdown with the hope that it would only last a few weeks or months. A year and a half later, we are still living with the fallout of this pandemic.

The message God gave through the prophet Isaiah was not calling people to deny the reality of their situation but to affirm the sovereignty of their Savior. This message reminds me to not allow what is behind me to obscure what is before me. The spiritual needs around us have never been clearer. The opportunity for life-changing ministry has never been greater. And our mighty God has never been more willing to answer prayer and anoint us for Kingdom impact.

Our year-end statistics have all been compiled and submitted to headquarters. We have the quantifiable evidence of what ministry has been like in the 2021 conference year. We have seen declines in attendance and giving. We have churches that will be unlikely to continue their former ministry. We have members who checked out during the worst of the pandemic but still have not checked back in. A few pastors stepped away from local church leadership. We have experienced loss.

**"FORGET THE
FORMER THINGS;
DO NOT DWELL
ON THE PAST.
SEE, I AM DOING
A NEW THING!
NOW IT SPRINGS
UP; DO YOU NOT
PERCEIVE IT? I AM
MAKING A WAY IN
THE WILDERNESS
AND STREAMS IN
THE WASTELAND"**

ISAIAH 43:18-19

Many of our pastors have experienced the challenge of leadership fatigue. Apostle Paul encouraged leaders to not “grow weary in well doing” because he knew that to be a real concern. That’s why I appreciated our DBA engaging with the Thrive Initiative to offer an opportunity for leaders and their spouses to “Rest Well” this spring. Seventy-two couples accepted the offer and took at least two nights to get away for renewal and conversations about building healthy rhythms for the coming year. A special thank you goes to the Lilly Foundation’s Center for Congregations and the Wesleyan Education & Clergy Development department for their partnership in the Thrive Initiative.

But we’ve also seen God working in miraculous ways.

For example, this spring Pastor Amanda Blair had the privilege of baptizing an 86-year-old gentleman for whom his wife and church friends had been praying for 30 years. He responded to the calling of the Holy Spirit in a moment alone at home and surrendered his life to Christ. His wife and church family celebrated as he was baptized and publicly confessed Jesus as Lord.

I could point to the remarkable financial faithfulness of our members who have given consistently and, in some cases, sacrificially, to support the ministries of their church. We’ve seen that as a district with 95% of USF contributions received, down slightly from previous years. Remarkably, a few churches have their strongest financial position in recent history.

I could spotlight the creative ways our churches have been both “high tech” and “high touch” in response to the constraints of the pandemic. Even some of our newest and smallest congregations have leveraged technology to provide livestreaming of their services, Zoom discipleship groups, and other online ministry connections. High touch responses included lay volunteers doing door-to-door checkups on their congregation’s elderly members. Another church divided up the phone list of all their members among their leaders so that every person in their church is receiving a phone call with prayer and encouragement every Sunday.

I continue to be inspired by our home missionaries who have answered God’s call to launch new Kingdom communities in a pandemic:

- **Rev. Aldean Pablo and the team at Roanoke SEND Church**
- **Rev. John Hannan and the team at Union City CrossRoads Church**
- **Rev. Bernie Haddad and her team of inmates at New Castle Eden Unleashed Church**

All of these were just taking their first steps when the shutdown orders came. They pressed on in faith and changed lives have been the result.

- **Rev. Mike Weller and the team at Anderson Restoration Church**
- **Rev. Jeff Brady and the team at Marion Commoners Church**
- **Rev. Lee Miller and the team at Muncie Crossover Church**
- **Rev. Jerome Bell and the team at Pendleton Autumn Hills Church**
- **Rev. Ruben Santos and the team at South Bend Cielos Abiertos Church**

These leaders refused to let the pandemic cancel their calling to launch new Kingdom communities to reach more people for Christ. And when Pastor Andy and Leanza Riemersma launch ONE Church in Westfield this coming year, the Crossroads District will have 17 churches that are less than 5 years old.

Last year, with the pandemic surging, political emotions running hot, the agony of continued racial tension, and the culture’s redefining of sexual morality, there were also concerns in some circles that The Wesleyan Church might be drifting from some of its core convictions. Let me express my heartfelt appreciation for the leadership of our General Superintendent Dr. Wayne Schmidt, the General Board, my district superintendent colleagues, and our university presidents in publicly

reaffirming their abiding commitment to the core doctrines and principles of The Wesleyan Church. This generation of Wesleyan leaders unequivocally pledge their commitment to the unchanging truth of God’s Word and His call to holy living. Our leaders are determined not to be swept along by cultural currents but resolved to stay anchored to the Rock

I am so grateful that I get to be part of this journey with you here in the Crossroads District. Whether preaching on Sunday, chairing an LBA meeting, dreaming with a church planter, coaching a new pastor, or consulting with a search committee, I am grateful to be part of this team that is on mission with God. We are making measurable progress, but we will not be complacent. We are compelled by the love of Christ and the heart-breaking reality that 3 million Hoosiers do not yet have a life-giving relationship with Jesus Christ and His Church.

To better prepare for rising to the challenge, I am excited to report that 100 leaders from the Crossroads District have been invited to attend the GROW Conference hosted by Pastor Chris Hodges at Church of the Highlands in Birmingham, Alabama. I want to publicly thank Dr. Craig Dunn and the board of WIF for generously providing these registrations for our team members.

We are praying and working toward celebrating 1,000 new believers baptized, 100 new disciples-making leaders unleashed, and 10 new Kingdom communities launched in a single year. Why not this year?

I love this quote from Mark Batterson’s new book, *Win the Day*: “As long as you’re going after a God-sized dream with God-given passion, you’re never past your prime. Vision makes time fly, but it slows down the aging process.” Thank you for allowing me to join you in chasing our God-sized dream with God-given passion!

Mark Gorveatte
Crossroads District Superintendent

Region 1 Assistant DS Report

General Superintendent Dr. Schmidt, District Superintendent Dr. Gorveatte, and Crossroads District Delegates,

It has been my privilege to serve as the Assistant District Superintendent to Region 1 for this past church year. It goes without saying that the past 15 months have been nothing short of challenging. From the closing of the physical church doors, to the challenges we have faced with political and social debates. I have held onto the phrase, "But, God..."

It was the "But, God" moments that allowed us to see the lives of people impacted throughout our region as we celebrated life change. "But, God" that almost every one of our churches have managed to reach out into the digital world, a "but, God" moment that many of our churches have not just survived financially, but have thrived.

Over the past months in Region 1, we have continued to meet with our Leadership Cohorts. If you are interested in connecting in a cohort, please reach out to me at pastormatthew@theriver.cc.

As a region, we have been excited that there have been 2 churches planted even in the midst of it all. Commoners House Church led by Pastor Jeff Brady and SEND Church led by Aldean Pablo have both been launched and are seeing spiritual gains.

We hosted an Exponential Roundtable on October 28th at The River Church in Marion where we circled up and discussed some of the major social issues facing the church.

Pastor Chris Williams and I were able to help lead Strat-Ops in 3 churches that are looking to move to the next level in their processes and leadership.

As I look forward to all that the rest of 2021 has and what 2022 will offer us, I can only imagine there will be some more of those "BUT, GOD" moments. Would you pray with me that we might see hundreds of people called into a ministry, churches planted and communities transformed as people walk in the freedom of Christ?

Pastor Matthew Trexler
Assistant District Superintendent - Region 1

Region 2 Assistant DS Report

First, as a local church pastor, I would like to thank the district. It has been a season of stress for many of us on the front lines of ministry. I am grateful that Dr. Gorveatte has worked to provide encouragement and opportunities for rest and revitalization for all his pastors in ministry. We are in this together and none of us know exactly how to approach the complexities that stand before us. The great news is we don't stand alone. We have each other today, an army of faithful followers that have gone before us, and most importantly we have Christ and His Word. The last 18 months have been long and complex. As a local church and as a region in the Crossroads district we have had to adapt. In all of this God is still moving!

When Covid hit I decided to move in on four areas. 1) Leadership Development, including the personal and emotional health of the pastor. 2) Pay close attention to the current culture and develop a plan to help our pastors understand and engage in it. 3) Launch new ministries and ministers. 4) Put a team together of flagship pastors who can help me navigate and develop a future plan. As a region here is what we are doing.

Leadership Development:

Even in the pandemic we wanted to keep developing our pastors. Though the environment changed to masks and social distancing we still met. We had Charlie Alcock, a professor at IWU, come and talk about reaching out to and developing the next generation of leaders. Sharon Cady, a licensed therapist, came and talked about emotional health as a pastor and gave great resources. Dan Poff, a ministry coach, came and talked about creating a personal development plan.

Veritas Conference:

On May 22 we put on the Veritas Conference. Dr. Todd Wilson, the author of *Mere Sexuality*, and Dr. Chad Carmichael, head of the philosophy department at IUPUI, came and shared with church leaders about the current sexual revolution and the rise of social movements like Black Lives Matter. What are they, what is behind them, and how do we love people well and glorify God in this complex world?

New Church Plants:

We have three that I want to quickly highlight. Andy Riemersma, Lee Miller and Seth Bye are all in the process of launching new churches in our region. It's so wonderful to see new church growth during this season.

Envisioning a New Future:

A few pastors from our region have started meeting to brainstorm together what the church will look like coming out of Covid. We started with the book *Deep Roots, Wild Branches* by Michael Adam Beck. The goal of this group is not only to grow together but identify and name some of the cultural transitions that are taking place and help build ministries that can thrive in the wake of this cultural shift. This will also include Dr. Gorveatte's plan to increase personal connections that he will discuss at the conference.

Future Leaders:

Though the following work is almost all done within Trinity Church, the benefit is for the District. We are continuing to develop, hire and train next generation pastors. We are calling it the Trinity School of Ministry. We want to keep hiring future lead pastors and worship leaders. We will keep launching ministries and ministers that will help our region grow. The next big one will be One Church with Andy Riemersma, a new church plant in Westfield. We feel called to hire and send future lead pastors for our region and beyond. Our amazing team including Cathy Howie, Josh Lavender and many others deeply want to train up the next generation. If you know of anyone who is called to lead a church, please don't hesitate to reach out. We would love to interview them. If you are interested in sponsoring the development of a future church leader let us know.

Though the road has been hard, God has been and will be ever more faithful!

Respectfully,
Mike Colaw
Director of Region 2

Region 3 Assistant DS Report

Over this past year in my role as an Assistant District Superintendent, I have focused my time and energy on three key areas:

Next Level Church Experience

To help Crossroads District churches develop a customized plan for effective ministry in a post-COVID world, we have designed a church training and coaching system for pastors and lay leaders called *Next Level Church Experience*.

The Next Level Church Experience will train and coach a cohort of pastors and lay leaders from a huddle of churches to focus on five core areas of church health and effectiveness. The experience has been designed to deliver the following outcomes:

- Increase the spiritual fervency of pastors and lay leaders leading to higher levels of spiritual fervency across the church.
- Improve the experience for children and adults in the primary corporate gathering of the church.
- Design and execute a plan for first impressions and newcomer integration.
- Ensure that each church has a discipleship pathway that includes the first steps, next steps, and a plan for ongoing discipleship.
- Build and implement a comprehensive outreach strategy that helps a church engage with its community, meet real needs, attract people to Jesus, and share the gospel in personal and corporate settings.

Each cohort will consist of pastors and lay leaders from Crossroads District churches. Each church must have at least two participating lay leaders to enroll in the cohort. Cohort meetings will be held on one Saturday per month for four months. Each meeting will consist of a spiritual development component to focus on the spiritual fervency of the pastors and lay leaders (30-45 minutes). The remaining time will be spent on interactive training (1 hour, 45 minutes), coaching and application (30 minutes), and wrap-up (5-15 minutes). In the 2021-2022 Fiscal Year, we will have a fall cohort (September to December) and a spring cohort (February to May).

Region 3

I have endeavored to provide oversight, leadership development, and ministry support to Region 3 churches this conference year by making personal connections with the pastors in face-to-face meetings, phone calls, emails, and texts. I facilitated a monthly Leadership Development Cohort comprised of six pastors from Region 3: Don Bayne (New Carlisle), Mike Cloud (Rochester The Cross), Dan Fisher (Delphi Union Street), Logan Patriquin (Lafayette The Branch), Zach Szmara (Logansport The Bridge), and Terry Vaughn (South Bend The Bridge Urban Church). Additionally, I connected with each pastor in Region 3 in December when I delivered the district Christmas gifts.

District Board of Ministerial Development

Over the last conference year, I chaired the Region 3 DBMD Sub-Committee and served as a member of the District-wide DBMD. It is a joy to come alongside the emerging ministers in the Crossroads District to guide and support the women and men that God has called to be equipping ministers in The Wesleyan Church.

Radically Hopeful,

Any indebtedness to The Wesleyan Church or its entities must be satisfactorily resolved before the withdrawal process is finalized. This provision shall be the only exception to the withdrawal and property restrictions of paragraph 4780."

Church Multiplication Report

Our vision by the year 2025 is to launch 100 new kingdom communities, mobilize 1,000 new disciple-making leaders, and baptize 10,000 new Christ followers.

Despite experiencing the impact of Covid for a full year, multiplication in the Crossroads District rallied its battle cry for Christ. Two dinner church models were launched and churches found new ways to leverage live-streaming for ministry. We are thankful for the following ways God worked in the realm of multiplication this past year. Listed below is a short summary of how God has been moving toward our vision:

Church Plants: Currently the DBA has approved the following church planters. These people are either preparing to launch or have launched:

- Union City Crossroads - John Hannan - Moved into permanent building / 13 baptisms.
- Encounter Assembly - Craig and Tiffany Thurmon Sr.
- Restoration Church - Mike Weller - Launched Easter Sunday. Dinner Church model.
- Commoners House - Jeff Brady - Multiplying 2nd house church in May & Little Food Pantry.
- Crossover Church - Lee Miller - Dinner Church Model.
- Autumn Hills - Jerome Bell (Bi-Vocational) - Raising money. Launch date is Sept. 12th!
- Send Church - Aldean Pablo - Strategic Partnership with Sunrise Church. 10 baptisms.
- Open Heaven - Ruben & Susana Santos
- One Church - Andy Riemersma - Trinity Wesleyan just sent out Andy to plant.

Exponential: Unfortunately, the in person conferences of Exponential were cancelled. However, the total attendance around multiplication may have been at an all time high as pastors adapted and met via Zoom for workshops throughout the year. In addition, The River Church in Marion hosted an Exponential gathering for seven different churches for encouragement and training on being a Level 5 Church. In addition, Dr. Ed Love continues to provide great coaching to pastors in our District. We look forward to the next in person Exponential Conference in March 2022.

Discipleship: The district is grateful for Jon Weist and the Trinity staff for launching Groundswell in 2020 and providing leadership events. There have been six pioneer leaders out of our district that have benefited from new Discipleship efforts. A total of 300+ pastors were trained through online disciple making cohorts through Groundswell. This included six different Latin American countries.

Training & Assessment: In their third year of existence, Rising Hope Church in Muncie, Indiana launched a church planting residency program. Already, one family has graduated and is serving in a church and the next resident starts in August with a goal of planting. Regarding assessments, Jesse and Aimee Pratt continue to help provide much needed training and coaching throughout the district.

In a year of a global pandemic, it is evident that God is on the move and positioning new church initiatives to reach people for Christ. New movements, churches, planting residencies, and leadership has blessed our District this year and for years to come.

District Intercession Report

Elisabeth Elliot wrote, "Prayer lays hold of God's plan and becomes the link between his will and its accomplishment on earth. Amazing things happen, and we are given the privilege of being the channels of the Holy Spirit's prayer".

With all my heart I believe that the effectiveness of ministry is backed by the foundation of prayer. As I read the Bible I am told that I should be praying for the ministry of others. As a part of the body of Jesus Christ, I need to pray not just for the area of ministry I am involved in but I need to also be praying for other ministries. It's like a symphony. Everybody plays their part. The tunes are the same but the sounds are different. An oboe doesn't sound like a flute and a flute doesn't sound like a trumpet and a trumpet doesn't sound like a violin. But we're all reading from the same score. This is our score - The Bible. We're to be working together, forming a symphony and makes us the united body of Christ. Jesus tells us that we need to be praying for each other.

This has been the ministry I have sought to be faithful in this past church year.

- Regularly I have taken the list of pastors who are serving in the Crossroads District and lifted each name up to the Throne of God. I would do this usually on a Saturday or Sunday morning, asking God to bless and "protect" the worship that is going to be taking place throughout the District.
- I have also sought to send out notes of encouragement to pastors as well.
 - In these communiques I have asked for prayer requests pastors may have, in order for me to be able to join them as they are praying.
- When invited to speak at churches I have stressed the importance of prayer ministries.

The foundation of a building is not seen. Yet, even though it may not be visible, it needs to be present and 'strong'... otherwise the building will eventual collapse. Prayer is a hidden ministry. Yet it is so vitally needed if ministry is to be effective.

It has been a privilege for me to have served the Crossroads District in this capacity of "prayer". I thank God and I thank you for allowing me to be involved in this vitally-needed ministry!

District Coordinator of Prayer

Global Partners Report

While the global pandemic presented unique challenges this year, the gospel message continues to spread and the good news preached here at home continues around the world. The Crossroads District continues to partner with The Wesleyan Church in Bangladesh and Mozambique.

Bangladesh

The COVID crisis has ravaged the country of Bangladesh. In the thick of it, The Wesleyan Church distributed food and supplies and continues to build inroads for the gospel message. The Jesus Film project continues to move from village to village spreading the message of Christ. Follow-up evangelism sessions are taking place three times a month in villages where there are new believers. As the gospel spreads, the church grows and expands. We're pleased to report that there are now 61 Wesleyan Churches in Bangladesh, and with recent expansion of discipleship groups, we expect this number to grow to 75 soon. All this while construction and expansion continue on the boys' and girls' orphanages, and the church's regional center. Additionally, we have partnered to provide funding for the church's new regional office in the capital of Dhaka.

Despite the annual district conference being delayed due to COVID lockdowns, we are extremely excited that three new pastors will be ordained this year, doubling the number of ordained national Bengali Wesleyan pastors. This is huge praise! It is the culmination of years of hard work and investment by the Crossroads District, Rev. Joshe Bose, Dr. Rich & Carol Schenck, Dr. Aron Willis, and many others. This is a shared win for the kingdom. Praise the Lord!

Mozambique

There are now well over 350 churches in all ten districts of Mozambique. The church is alive and thriving! There is still a need for trained pastors to lead and love these flocks. The main emphasis continues to be educating pastors through the Bible College at Xai-Xai, and also the College on Wheels (COW) project.

The Bible school in Xai-Xai started classes in January, and despite Covid restrictions eleven single students were able to come to campus to continue studies. The leadership felt that due to the restrictions it would be difficult to have families with children on site. The great news is that married couples will be coming to campus in June!

We were recently informed of radical Islamists attacking the people in northern Mozambique, Wesleyans among those fleeing and experiencing the terror. Specifically in the area of Palma, chaos, killing, kidnapping of girls and women, and even worse has been occurring. Pastor Abel Nove, the District Superintendent in Nampula, has been caring for displaced Wesleyans. He was able to purchase land where these families are now settling. He said more families were on the way. Pastor Abel has consistently cared for the needs of people around him. Pray for him and those working to assist these in need. Pray for the families who have been forced to flee in the midst of terror as they face uncertainty on many levels. May God's love and light shine in this darkness. Due to travel restrictions, the Crossroads Missions fund was left untouched this year, so we donated \$6,000 in relief to this need.

On April 19th, 2021, Daniel Cossa, Mozambique's first National Superintendent was called to his heavenly reward, into the presence of his Lord and Savior, Jesus Christ. From our earthly perspective we grieve with the Cossa family, we also rejoice in the legacy that is left by this wonderful visionary.

Looking Forward

Today we are excited to announce a new initiative that will provide up to \$1000 in matching funds for any first-time Global Partners missionaries going out from the Crossroads District. This applies to anyone serving for short-term or long-term appointment. Let us mobilize our people for global kingdom service.

Lastly, I (Dave) must announce that this will be my last year serving as Co-District Director of Global Partners. It has been an immense blessing to serve, to be a part of what God is doing around the world and through the Crossroads District. I want to extend a huge thank you and shout out to Dr. Gorveatte and Steve Mathews who have supported, encouraged, and led with such wisdom and passion over these years. It has been a privilege to serve.

Sincerely,
Dave Hines & Steve Mathews

Ministerial Development Report

Crossroads District Friends,

Since the spring of 2020, the church along with the rest of the world, was called to isolate from one another. Thus, we have been reinventing ourselves. Often, many times over. The sense of rush and urgency often takes a huge physical and emotional toll on pastoral staff and lay leaders. There was and continues to be deep sorrow because our weekly gatherings first ceased but then have often returned slower than we had hoped. As they re-started, we greeted one another with a six-foot head nod, we sang muffled praises to the Lord from behind masks, and stopped passing an offering plate all together. If there was an upside, we discovered that disciple-making was no longer limited to our Sunday timeframe and many of our videos had many more views than our previous combined attendance numbers. Maybe God can bring forth new life out of brokenness. Prayerfully, as we arise from our 16-month travail, may a fresh awakening be on the approaching horizon.

We on the District Board of Ministerial Development (DBMD) equally had to conduct meetings and interviews in our ever-changing Zoom world. This year, with the help of our three Regional Chairs, Dr. Jim Lo, Dr. Rich Schenck, and Rev. Chris Williams, literally hundreds of hours were invested to prepare ministers of the Gospel to enter into the "life of the called." In the end, for Conference year 2021, we interviewed and recommended to the Crossroads District 12 new candidates for Ordination or validation. Adding to that the record number of Ordinands in 2020, we have had a total of 28 new Ordained Ministers during our pandemic. Aslan is surely on the move. Moreover, I personally give thanks for every woman and each man who served on a Zone, Region, and District level committee. Their combined kingdom-minded wisdom makes "development" not just part of our DBMD committee name but it resounded from every question asked during our candidates interviews and ultimately every decision we made. Our District charge arises from the vision Rev. Dr. Mark Gorveatte implanted into our hearts which encompasses 3,000,000+ reasons to lean into the voice of the Triune God who breathes new life into us and then sends us out with the hope of glory.

Finally, may I personally thank everyone who tirelessly labors behind the scenes. This includes all the background work that must take place before the first interview happens, the hours graciously donated to the district by our DBMD members, the minutes compiled by Board secretaries, all the follow-up conversations, climaxing in the labor-of-love for all the people who assist with compiling the District DBMD annual report and the celebration we call the Ordination Service itself. The chief catalyst behind this is Rev. Carla Working, the vice-chair of the DBMD. She brings a coherent peace to the process. Finally, to Rev. Seth Bye. Your organizational gifting keeps us on the right path. It can be taken for granted. But the Lord Himself affirms your leadership abilities.

Respectfully submitted,

Rev. Dr. Dave Smith
Director of Ministerial Development

Children's Ministries Report

This past church year was the "Great Reset" for most children's ministries across the district. Many plans were made, changed and eventually cancelled throughout the year beginning late spring when the pandemic began. There were plans for a district-wide next-gen conference, children's camps, and other round-tables, which never came to fruition, due to the ongoing concerns of the health & safety of everyone.

As a result, what I found myself spending more time doing throughout the year, was continuous conversations with children's ministry leaders around the state about how best to proceed with children's ministry in their individual local church settings. I've had many phone conversations, emails, texts all year long with different ones about current best practices and how to continue ministering to families even from a distance as was the case for most of us throughout the year. It has been a difficult year with overwhelming obstacles, but it has been a joy to be able to walk alongside many leaders, sharing ideas together and carrying the burden for our next generation together.

Moving forward, however, I am happy to report that most areas are back in "business" so-to-speak with their children's ministries, district children will have camping opportunities this summer, and we are making plans for a children's ministry huddle next spring. If your children's leader has not yet had the opportunity to connect with me, please be sure they have my contact information, so they can be better informed about upcoming opportunities and resources for your children's ministries.

On a personal note, I would like to express my deepest gratitude to all of you who prayed for my husband, David, last year throughout his 40 day hospitalization. God is still a God of miracles and prayer DOES make a difference! Our family was humbled and overwhelmed by the amazing support of everyone throughout his illness. You were used by the Lord in ways I cannot adequately express and I am so thankful for you all.

District Children's Ministry Director

Senior Adult Ministries Report

The year of the COVID-19 pandemic brought to a screeching halt all SAM activities. All plans that were thought of were quickly erased and put on hold. We completed this physical year with no district activities.

I accepted the district leadership of SAM in the fall of 2011. We have had many wonderful trips, banquets, and day trips throughout the past years. I greatly appreciated everyone who helped us on the committees and planning each event. The 2019-2020 fiscal year was to have been my final year as District SAM Director, but I felt I should continue one more year because of the pandemic. As of April 30th, 2021, I resigned as director.

We are leaving with a healthy balance in WIF, savings, and checking so the transition for the new director should be much easier. I pray that the new director will have energy and insight into what is best to help the seniors of our district. I am available if the new director has any questions.

Thrive Financial Initiative Report

2020 was a unique and challenging year of ministry, as I am sure many of the other reports in this handbook have also noted. It was filled with brush fires, murder hornets, and of course a global pandemic. While all of these things were challenging, one thing that was equally challenging, yet never made the local news headlines was pastoral fatigue. In 2020 pastoral fatigue was something that was consistently in our prayers and on our minds in the Crossroads District. As a team, we wanted to come up with a way for our pastors to be able to rest well, in a challenging season. So the Crossroads District teamed up with the Thrive Financial Initiative, which is funded by the Lilly Foundation, and created a custom Thrive pathway that would allow our pastors to engage in meaningful rest during a demanding season. We called this custom pathway the Rest Well Initiative.

The Rest Well Initiative was a huge success. In fact, it received the most engagement the Crossroads District has had in any Thrive pathway to date. Through this initiative, 71 pastoral couples or 142 people received an investment of \$500 per couple to engage in meaningful rest. \$475 of that investment was specifically given so that pastoral couples could get away on a simple, yet meaningful retreat to rest, have fun, and make memories together. This level of participation totaled an investment of \$35,500 in our Crossroads pastors. Additionally, due to our partnership with Thrive, each pastoral couple was eligible to have that \$500 matched. Meaning that if all 71 couples, who participated in the Rest Well Initiative, completed a few simple steps following their retreat that would be a \$71,000 investment into the well being of our Crossroads pastors (final numbers are still pending at the time of this report).

Then to top it all off, the Thrive Initiative also offered to give up to an additional \$500 matching grant to each pastoral couple, provided that their local Church would invest in them as a part of the Rest Well initiative. At the time of this report, we celebrate that an additional \$22,298 has been committed to our pastors from their local churches. This money will be matched, making the church matching investment total upwards of \$44,596.

This means that in total the Rest Well Initiative has empowered the potential of \$115,598 having been invested into the lives of our pastoral families this past year in the Crossroads District. Let's celebrate God's faithfulness. Finally, we pray that this initiative allowed you to engage in meaningful rest, and that God will continue to show you the value of sabbath.

Wesleyan Men's Ministry Report

Covid played a big part in the Wesleyan Men's events, or lack thereof. We were unable to have the annual Marriage Enrichment Retreat and the Men's Banquet. However, we did hold the golf outing and sixty-four men attended.

We are already beginning this new year with events happening and look forward to a full year.

Youth Ministries Report

This past year has certainly been a challenging new territory to navigate for everyone. With the effects of the pandemic, the early months of the year looked very different than years past. Many typical opportunities for students and youth leaders in our district were not possible, including camps, the District All-Nighter, and conferences. I entered into this new role with a huge question mark—what does the role of DYP look like in the midst of such a strange year?

Despite these obvious hurdles, this year has served as an opportunity to connect with leaders, both online and in-person. One highlight of the year was the opportunity to host district Next-Gen leaders in-person for the annual FUEL conference in February. While traditionally this conference has been held in-person and is attended by leaders from across the nation, this year the conference was offered completely digitally, providing local and district leaders a chance to use the material in smaller settings. Leaders from 7 of our district churches were able to gather together to collectively grieve the losses of the past year of ministry and look ahead to the hopes of the year to come. As a result, not only was I able to connect with leaders, but I was also able to collect contact info for more of our district leaders. This will be incredibly helpful as I work towards creating an updated contact list for all of our district youth leaders in the coming year.

Looking ahead, we are excited about opportunities opening back up for students. This summer, several camp options are being made available across our district. In the fall, I hope to provide more opportunities for youth leaders to connect, especially with other leaders near them. My goal as DYP is to Promote (events), Provide (support & opportunities), and Pray for our district leaders. I look forward to meeting and ministering to more of my brothers and sisters serving our students over the coming year!

Rev. Jessica Folz

District Youth President

CD-2. The District Board of Administration shall serve as the Board of Trustees for the Crossroads District of The Wesleyan Church, Inc.

CD-3. Whereas, since during the year it may be desirable to sell or exchange properties belonging to the District Corporation or Local Churches and it may be needful to sell or exchange such properties; therefore, be it resolved, the District Board of Administration be hereby authorized to execute such deeds and when ordered the President and Secretary of the District Corporation are empowered to sign and transfer such deeds. CD-4. Each auxiliary, board and committee shall have two signatories for its financial accounts (banking, savings, etc.). The signatories shall not be related by family. In the event there is only one person able to serve as a signatory, the district treasurer shall serve as the additional signatory. Each auxiliary, board and committee shall inform the District Board of Administration of its signatories and advise of any changes as they occur.

Whereas, since during the year it may be desirable and necessary to borrow money or mortgage district corporation property; therefore, be it resolved, the District Board of Administration be and is hereby empowered to sign all papers necessary to execute such loans. The secretary of the district corporation shall record in the Annual District Conference Journal the transaction of said loan after the words: "Crossroads District of The Wesleyan Church has ordered the execution of the following loan."

II. CHURCHES

A. HOUSE OF WORSHIP

CD-6. Our houses of worship should not be open to any evangelist or minister of any other church to hold a series of meetings or to maintain regular appointments for another congregation; provided however, that usual denominational courtesies are to be extended to other ministers in occasional appointments. A waiver of the above, be it a contract or lease of building, must be obtained through the District Board of Administration of the Crossroads District.

B. PASTORAL SUPPORT

CD-7. Pastoral support shall be reviewed each year (Discipline 723) and the District Standing Rule, CD-7, in its entirety shall be reviewed by the Local Board of Administration at the time of each salary review. We recommend the following guidelines for pastoral support (to be communicated by the District Superintendent to each Vice-Chairperson by February 1 of each year).

- (a) Cash salary: \$650 per week minimum (for all pastors who are employed full-time by the church).
- (b) Wesleyan Pension: Wesleyan Pension Plan, based on cash salary, cash housing allowance and reimbursement of self-employment (Social Security) tax. If instead of a cash housing allowance, the pastor is provided with a parsonage, an amount equal to thirty percent (30%) of the cash items above, plus the amount paid for utilities shall be added to determine the housing base for pension payment. The assessment paid to The Wesleyan Pension Fund on behalf of the pastor shall be twelve percent (12%) of the total.
- (c) Expenses which shall be paid for or reimbursed to the pastor:
 - (i) Workers compensation insurance;
 - (ii) Social Security equivalent based on salary and housing;
 - (iii) Mileage reimbursement for local church ministry use of personal vehicle, at standard Internal Revenue Service allowable rate;

- (iv) Parsonage or housing allowance;
 - (v) Parsonage utilities;
 - (vi) Retreat expenses; and
 - (vii) District Conference expenses
- (d) Expenses to be considered:
- (i) Other Conference, retreats and district sponsored events
 - (ii) Library expense;
 - (iii) Continued education expense;
 - (iv) Professional entertainment expense;
 - (v) General Conference expense;
 - (vi) Secretarial help; and
 - (vii) Pastor's Sabbatical.

After seven years of continuous service to the same local church an ordained pastor shall be allowed a sabbatical of not less than four weeks. The Local Board of Administration, the pastor and the District Superintendent must mutually agree upon the details of the sabbatical in principle and in writing. (cf. Discipline 724).

The above salary amount shall be considered only as a minimum and increased for specific churches depending on the financial strength of the church, average morning worship attendance and educational qualifications of the pastor. The Local Board of Administration shall consider inflation as well as performance when discussing and deciding on the annual increase in salary and other allowances for their pastor. Churches must recognize that if they cannot support their pastor on the minimum basis, they must allow the pastor the privilege of partially supplementing his/her income in accord with 1 Timothy 5:8.

CD-8. All churches shall pay the moving and transportation expenses for incoming pastor(s). When the district demands the service of anyone, it shall bear the moving expense if any expense shall be incurred.

CD-9. The vacation time of a pastor in the Crossroads District shall be based on the number of years the pastor has served under appointment in professional ministry and the minimum vacation shall be determined as follows:

- (a) Up to ten years: three weeks;
- (b) Eleven to nineteen years: four weeks;
- (c) Twenty to twenty-nine year: five weeks;
- (d) Thirty years and up: six weeks; and
- (e) External ministry or continuing education up to two weeks beyond vacation.

No more than one year's vacation allotment may be accumulated and no payment shall be provided for unused vacation.

The pastor's salary shall be continued during any district event and while serving in other district assignments. It is further understood that a pastor will not be absent more than three consecutive Sundays without special permission from the Local Board of Administration; and that the cost of pulpit supply, while the pastor is on approved vacation, shall be borne by the local church.

CD-10. Each church desiring to add an associate/assistant pastor or lay assistant shall provide, in writing, the following to the District Board of Administration:

- (a) A statement of need of an assistant pastor or lay assistant;
- (b) Provision for proper support, including workers compensation insurance;
- (c) An outline of duties as set forth by the Local Board of Administration and/or the Local Church Conference; and
- (d) Records that show complete payment of Combined Stewardship Fund for the previous two years.

Exception of these requirements may be made by two-thirds vote of the District Board of Administration. Any person employed to assist the pastor in ministerial capacity, whether minister or layman, must be approved by the District Board of Administration and be under the direction of the District Board of Ministerial Development. The title "pastor" shall be restricted to persons thus approved.

CD-11. In the event of an accident or illness which incapacitates the pastor, the Local Board of Administration shall meet with the District Superintendent or an appointed representative, and another member of the District Board of Administration (appointed by the District Superintendent) who shall confer with regards to continued salary and benefits for the pastor during the time of convalescence. The interests of the pastor and local church shall be considered at this meeting. Pulpit supply during such convalescence will be the responsibility of the local church.
