# Conference Action Items

## Permanent Status as a Licensed Minister

Resolved, that a Standing Rule be added to state:

*Individuals appointed as Assistant Staff Pastors may apply to the DBMD for permanent status as a Licensed Minister subject to denominational requirements.*

*A person wishing to be appointed to the position of sole or senior pastor must be an ordained minister, commissioned minister, or in the process of pursuing credentials as an ordained or commissioned minister in The Wesleyan Church.*

## Amendment to Standing Rule CD-55

Resolved, that Crossroads District Standing Rule CD-54 be deleted and Standing Rule CD-55 be revised to read as follows:

*Each church shall designate 1% of their assessable income for their own "Church Multiplication Fund" (Discipline 2000:3) and use those funds in launching church plants and/or new campuses. Projects approved by the District Board of Administration shall be eligible to receive matching grants from the Great Commission Fund.*

*The combined USF/EIF/DSF apportionment shall be 9% of the assessable base (subject to the cap provisions of Discipline 2005:1-4).*

# FOLLOW CONFERENCE

**EMPOWERED**

INTERNATIONAL WESLEYAN YOUTH CONVENTION

*September* 2023

Every Wesleyan pulpit unleashing the  
*gifts of women* to preach the Gospel

Because both women and men are:

- Bearers of God's image
- Blessed to preach the Good News
- Entrusted with the Great Commission

*Pray, Plan and Wait for it!*

More details to be provided at District Conferences

# Assistant DS Report

It has been a joy to serve the Crossroads District as an Assistant District Superintendent during the 2022-2023 conference year in my role as the point leader for *Next Level Church Experience* and vice chair of the District Board of Administration (DBA) and the District Board of Ministerial Development (DBMD).

## Next Level Church Experience

We offered two *Next Level Church Experience* events this past year. The first Next Level event was held in September. The following churches participated: Cicero United Family, Gas City Eastview, Huntington Hope Rising, Indianapolis Monte de Sion, Merrillville RE.THINK Church

After *Next Level* in September, we evaluated participant feedback and conducted our own internal evaluation of the event. After doing so, we revised *Next Level* significantly to deliver higher value to local church pastors and leadership teams.

The new and improved version of *Next Level* was offered for the first time in February with the following churches participating: Albion, North Liberty Beaver Creek, Elwood Central, Indianapolis Calvary Family, Indianapolis Divine Direction, Lapel Daybreak, South Bend The Bridge

Even though *Next Level* was redesigned this year, the experience remains focused on delivering the following outcomes:

- Increase the spiritual fervency of pastors and lay leaders leading to higher levels of spiritual fervency across the church.
- Improve the experience for children and adults in the primary corporate gathering of the church.
- Design and execute a plan for first impressions and newcomer integration.
- Ensure that each church has a discipleship pathway that includes the first steps, next steps, and a plan for ongoing discipleship.
- Build and implement a comprehensive outreach strategy that helps a church engage with its community, meet real needs, attract people to Jesus, and share the gospel in personal and corporate settings.

The new and improved version of *Next Level* features the following modules:

- Climbing Higher: Becoming a Next Level Church
- Seeking God with Spiritual Intensity
- Experiencing God in Worship
- Building an Effective Kids Ministry
- Reaching Your Community
- Making Disciples Who Make Disciples
- Next Steps to Go to the Next Level

After each module, pastors and church leaders engage in guided coaching conversations focused on developing actionable next steps to implement the teaching in their local church. To aid in implementation, the district underwrites the cost of providing a coach for each pastor and church for the six months following the event. In addition, the district offers \$1,000 implementation grants to provide resourcing for one or more of the action items that are developed in conjunction with the coach.

The following churches received *Next Level* Implementation Grants during this past fiscal year: Albion, Cicero United Family, Elwood Central, Gas City Eastview, Huntington Hope Rising, Indianapolis Calvary Family, and Lapel Daybreak.

## District Boards

During this past conference year, I was honored to serve as the vice-chair of the Crossroads District DBA and DBMD. In my role as vice-chair of the DBA, I led the annual review of the District Superintendent which incorporated feedback and insight from Lead Pastors across the district and the members of the DBA. The result of this process was the creation of an actionable plan for our DS to continue improve and develop his excellent leadership of our district team. In addition to my work on the DBA, I assisted Rev. Carla Working as she leads our DBMD. It is a joy to come alongside the emerging ministers in the Crossroads District to guide and support the women and men that God has called to be equipping ministers in The Wesleyan Church.

Thank you for the allowing me the opportunity to serve in this capacity. I pray that God will add his favor to our work in the Crossroads District so we can effectively develop leaders, revitalize churches, and multiply kingdom communities to reach the 3 million Hoosiers that currently have no religious affiliation!

Radically Hopeful,

Rev. Dr. Chris Williams  
Assistant District Superintendent

## **Rev. Mark Atkinson**

**Responsibility:** Evangelism (Encourage the church and the pastor to be more effective connecting their communities to Jesus!)

**Churches Visited:** Fort Wayne Level 13, Delphi Union Street, Greentown, Wabash New Journey, North Liberty Beaver Creek, New Castle Memorial, Indianapolis Southview, Sweetser, Muncie Memorial Drive, Indianapolis Evanston, Marion West Eighth Street, Hamlet Davis, Roanoke Arise, Sheridan Six Points, Lapel Fishersburg, Hamilton, Lancaster, Merrillville ReThink

### **Here are the metrics that I consider at each church:**

#### **1. Neighborhood (outsider) Friendly**

Were the facilities well-kept and up to date? Did the signage reveal important information that welcomed the community? Was parking available for guests close to the building? Were there greeters in the parking lot and at the doors? Was there a hospitable environment for all ages in the building?

#### **2. Atmosphere (not stressful, loving, to each other and outsiders)**

Did the atmosphere develop anticipation? Did the greeters smile? Did the church people greet guests in a kind and friendly manner? Were coffee and donuts available? Did people actually sing during the service?

#### **3. Pastoral Example**

Did the church people exhibit respect for the pastor? Did the pastor welcome guests in a personal way? Is the pastor active in the community? Did the pastor make eye contact and learn names? Did the pastor exhibit an understanding of what the people were going through? Did he show that in his prayer? Did it appear that the pastor had delegated well enough to be free to love on the people?

#### **4. Lay Leadership**

Are the lay people involved in the community? Did the lay people exhibit delightful ownership of the ministry? Did the lay people reach out to the community? Are there church activities that are outreach focused?

#### **5. Child Friendly**

Are there obvious ministries focused on children? Were the children excited to get to the children's ministry area? Was the signage appealing to children? Was there a safe play area? Were the children's ministry staff pleasant and welcoming? Was the children's ministry mentioned in the adult service, in the prayer, in the preaching, in the announcements? Were there check-in systems and safe procedures in place?

#### **6. Music**

Was the music connected to the theme of the day? Were those sharing (musicians & vocalists) joyful and worshipful? Did the congregation connect with the music? Did the music stir my heart? Was there an element of excellence exhibited?

After sharing within those metrics, I share two or three recommendations. I must say that I have enjoyed sensing God's presence in each church. I praise the Lord for the opportunity to serve in this capacity this past year!

Respectfully submitted,

## **Rev. Dr. Jim Lo**

It has truly been a privilege and joy to serve as a “circuit-rider” this past year.

In this role I spoke in 17 churches.

Above these opportunities of sharing as a circuit-rider I also...

- ...did weekend seminars on spiritual warfare.
- ...did seminars on evangelism and discipleship.
- ...spoke and taught on prayer
- ...spoke at our district sponsored “Celebration of Holiness” on “prayer and holiness”
- ...preached at mission conferences

God is working in the Crossroads District.

- One of the blessings of being a circuit-rider is hearing pastors share about how God is moving in powerful ways.
- Though COVID did affect many of our churches, adversely, many of the congregations I met with are reporting “wonderful gains”.
  - Over and over I heard testimonies of those getting saved
  - How thrilling it is to hear about new converts being baptized and being added to the church

This year I have made it a point to prayer-walk the area around some of our churches. When I visit a church seek to get there early enough to walk and pray over part of the community that surrounds the church. In Anderson, where I reside, I have been prayer-walking/running some of our churches in Anderson and Chesterfield.

A while ago, Dr Mark Gorveatte asked me if I had prayer-walked one of “our” churches in Anderson. I was able to tell him that I had and was continuing to do so. In a follow up meeting we had, Dr. Mark talked about me possibly making myself available to churches in the district which would like guidelines/teachings on prayer walking. I am happy and willing to do this.

Though I feel worship styles and preaching are important, the key to church “success” comes from God. Prayer-walking/running shows our need and dependence upon God to do His miracle in the hearts of those in a community.

**Through this report I want you to know that if you would like teachings on...**

- **...spiritual warfare** (weekend seminar)
- **...prayer/prayer walking**
- **...outreach**

**I am willing to help and teach.** My email address is jim.lo@indwes.edu.

I am so thankful for the blessed opportunity to serve as one of the Crossroads District Circuit Riders!

## **Rev. Neftali Lopez**

What an exciting experience it has been for me to serve as a “circuit-rider” for the Hispanic churches this past year. My wife, Rev. Grace Lopez, and I visited 6 of our Hispanic churches bringing greetings from the District and a message of unity and encouragement.

Rev. Grace Lopez greets them as the Crossroads District FLAMA Coordinator, offering ministerial training to those key leaders who are feeling called to serve in ministry.

We are grateful for the hospitality that pastors and their families have shown and we feel honored to be part of the move of God in our Hispanic congregations.

The churches we visited this year include:

- Iglesia Monte de Sion – Indianapolis, IN
- Iglesia Cielos Abiertos – Elkhart, IN
- United Church (Hispanic ministry) – Anderson, IN
- Iglesia Templo de Poder – Frankfort, IN
- Iglesia Casa del Alfarero – Richmond, IN
- Iglesia Amistad Cristiana – Carmel, IN

As a result, we can confirm what our DS consistently repeats: “God is on the move” within our district.

Dr. Mark Gorveatte asked me to write a situational report of every visit. I was able to report to him the great testimonies we saw as well as the growth opportunities they have. We are asking for prayer partners to join us in praying for our Hispanic churches as we seek to organize an event where we can all join in worship, possibly a retreat or camp meeting.

Throughout our visits, we witness different worship styles and leaders. We felt encouraged to see how God is raising a new generation of Hispanic leaders who are responding to God’s call. “Por tanto, rogad al Señor de la mies que envíe obreros a su mies” (Mt. 9:38)

My wife and I praise God for the opportunity to serve Him in the Crossroads District as a Circuit Rider and to be able to pray and participate in the formation of future leaders in The Wesleyan Church.

Love in Christ,

Chaplain Neftali Lopez

**Rev. Dr. David Smith**

The work of a **Circuit Rider** in the Crossroads District is NOT work. Let me use the same words that YHWH gave when He told Adam to “care” and “tend” the garden. (Gen 2:15). Yes. That is what I get to do. It is nothing like work. It’s pure joy.

What is a Circuit Rider **Church Visit**? Two Sundays a month I am given the honor to travel across our District and visit local congregations and their pastors. I get to witness the work of the Lord played out in a variety of venues by a wide range of Holy Communities. Typically, the District Office makes the initial connection with the pastor, months in advance of my visit. Then, several weeks before the date, I will email or call to set up details for my Church Visit. We decide if I will be preaching during that visit (yes, call that my “caring” and “tending” the garden). Plus, I love to include a meeting the Local Board of Administration for a brief stand of conversation so they can place another face and name within our connectional system. The final act of the visit’s preparation is to determine if the Pastor’s family and I might go out to dinner following service. (Thank you Dr. Gorveatte for the gift of reimbursement!)

**On the day of the Church Visit**, I intentionally try to arrive 30-45 minutes early. It gives me the chance to receive a tour from the pastor through the facilities, which often includes a history lesson of the building projects which created this worship center and of course the names of people who acted out of love and Kingdom sacrifice. As our last act of preparation, we will finalize the flow of the worship service and my role in it. Then, we have plenty of time to greet people coming into Church for worship. Following the Service, we are often the last to leave Church as we depart for a meal together. In the Gospel of Luke, Jesus loves on people more across a table than from a pulpit. That is what I pray for during these meals...and opportunity to “share grace” with one another. Can you guess. I LOVE being a Circuit Rider.

## **True^North: Disciple-making in the Word.**

May I offer one more opportunity to the District. Over the last 10 years I have been putting together material and corresponding training to teach laity in the local church how to read Scripture. Specifically, I long to equip people with the tools to read-interpret-apply the Word in Bible study groups. It is also in these groups that they hold one another accountable to what they have learned. It’s not fellowship groups as much as they might be seen as Wesley-style class meetings or Bands. My goal is not merely to teach people the contents of the Word but to create a culture of radical transformation. The Word becomes authoritative and the Spirit Himself is the true shaper of their souls and minds. If your church is interested in the material or for me to come to your church for a True^North weekend conference, please see [www.TrueNorthBibleStudy.com](http://www.TrueNorthBibleStudy.com). **It’s all free.**

# District Board of Ministerial Development Report

In September of this conference year, I was honored to accept the invitation to chair the DBMD. Dr. Chris Williams graciously invited me to move into this leadership position after he provided such excellent leadership to the members of the DBMD and the students we serve. Dr. Williams had instituted changes to our process that allowed me to step into the position with ease. I am grateful for his continued leadership as he serves the DBMD as our Vice-Chair

Throughout this year, the Crossroads District DBMD has come alongside over 90 individuals seeking credentials in The Wesleyan Church. This year we are recommending 14 individuals for ordination, 4 of which are transferring from other denominations. Our DBMD utilized Zone and Regional committees to conduct interviews with every person within the process. There were countless hours of preparation and prayer represented in each of those annual interviews.

I believe the DBMD is one of the most important boards within The Wesleyan Church. The DBMD is “responsible for the examination and recommendation to the district conference of all candidates for ordination, license, commission, ministerial study, restoration, or transfer from another denomination” (The Discipline, 1375). It is the responsibility of the DBMD to ensure that each person we work with has the grace, gifts, fruit and abiding sense of a divine call. As we have served together, each member of the DBMD has demonstrated an unwavering commitment to The Wesleyan Church and its ministers. For this I am extremely grateful.

This past year, 51 women and men came together to serve as the DBMD. I have been honored to serve alongside them as they give numerous hours to the work of “equipping the people for acts of service” (Ephesians 4:12). I want to thank each member of the DBMD for their faithfulness and investment. Each person served received encouragement, direction, accountability and support from our DBMD members. I could not begin to count the number of hours each of you sacrificially gave to The Wesleyan Church through your service. As a special word of thanks, I would like to thank Rev. Bob Burchell (Region 1 Chair), Rev. Clifton Ashlock (Region 2 Chair), and Rev. Dan Fisher (Region 3 Chair) for leading your geographic regions with integrity and humility.

There are times when the world tries to paint a bleak picture of the future for the church. I believe that picture is wrong. After sitting alongside my DBMD colleagues at annual interviews and listening to the women and men pursuing a life of vocational ministry, I am convinced that the future of the church is full of hope. The DBMD has had the blessing to walk alongside ministers of the Gospel who are committed to serving Jesus faithfully and compelled to preach that God is not only a God of forgiveness. He is also a God of hope and transformation. These women and men are called to lead the church, and I am grateful for the opportunity to be part of this journey with them.

Because He Lives,

# District Church Multiplication Report

*Our vision by the year 2025 is to launch 100 new kingdom communities, mobilize 1,000 new disciple-making leaders, and baptize 10,000 new Christ followers.*

For the past four years I have had the blessing to serve as the Director of Multiplication for the Crossroads District. In this time, I have shared the joys of new churches being planted and the heartbreak of watching some congregations close. Can a denomination become a movement again? I believe the answer is a resounding YES! Is it possible for our District to realize its vision? I believe the answer is also "Yes." However, to accomplish each question we must heed the words of evangelist Gypsy Smith (1860-1947) "Go home. Take a piece of chalk. Draw a circle around yourself. Then kneel down and pray, 'O Lord, revive everything inside this circle.'" In my report last year, I shared the following quote, "Remember this, if denominations want to be more effective, they have to become more like networks. If networks want to last, they have to become more like denominations. When denominations develop a network-like laser focus on multiplication through evangelism, mission, and church planting, they thrive. When networks build appropriate structure and define belief systems, they survive. They are two sides of the same coin, and we need them both as we move forward." This year our District has responded to this quote by proposing a lowering of the Crossroads District USF amount by 1.0%. In turn, each church will be tasked to create a new budget line item of "Church Multiplication Fund." My hope and prayer is that this new budget line item would help stir multiplication and movement thinking towards new planting initiatives in our District and beyond.

Here are some amazing highlights from this past year:

- The River Church in Marion - Matt Trexler. This "older" church plant is 15 years old, renovated an old school building, and just celebrated over 2,000 people in attendance for Easter!
- Trinity Church in Indianapolis - Mike Colaw. This well established church took Andy Remiersma under their wing and sent Andy out to plant ONE Church in Westfield. Both churches are reaping amazing disciple-making and multiplying fruit from this. ONE Church has celebrated thirteen baptisms and thirty-five salvation decisions for Christ.
- Rising Hope Church in Muncie - Michael Hewitt. As one of the districts newer churches, RH started a Church Planting Residency. RH is getting ready to host their third church planting resident family (Janiel & Leana Caraballos) with plans to plant a bilingual church in Anderson, IN on September 15, 2024. RH launched their first church campus with Pastor Marcos & Banesa Cruz in Sevilla, Spain last October.
- In May of 2022 the Crossroads Church Planting Network was born. The CPN is now poised to champion its first church plant. Please welcome Janiel & Leana Caraballos as our newest church planters.
- 317 Church in Avon - Seth Bye. Crossroads District in their short time have made major improvements to their building and a new church family has been birthed. Praise the Lord for three salvations and four baptisms in less than a year. 317 Church is also looking to add one more to their number as Seth and Cassidy are expecting!

Currently, here is where we stand since 2016:

- 20 New Kingdom Communities (16 Church Plants, 3 Adopted Churches, and 1 New Campus)
- 748 New Disciple-Making Leaders (156 this year alone)
- 9,008 New Christ-Followers (1,148 this year alone)

As I praise God for the multiplication in the Crossroads District this past year, I am believing the best is yet to come! May God bless our dangerous prayers as we band together to see more churches planted and disciples making disciples that make disciples. If your church is interested in learning more about how you can partner with the CPN to help your church, please feel free to contact me or any of the founding network leaders Jerome Bell, Seth Byes, John Hannan, Michael Hewitt, John Miller, Aldean Pablo, and Mike Weller.

*The CPN exists to Guide, Empower, and Champion the call of every church planter. Within the Crossroads District for established and developing churches we want to help you Facilitate multiplication, Always pray, Collaborate generously, Encourage the planting Family Generously.*

Building the Kingdom Together in Christ,

Rev. Michael Hewitt  
District Church Multiplication Champion

# District Intercession Report

E.M Bounds wrote these profound words about prayer,

*"Prayer makes a godly man, and puts within him the mind of Christ, the mind of humility, of self-surrender, of service, of pity, and of prayer. If we really pray, we will become more like God, or else we will quit praying."*

As I continue my journey of understanding prayer at a deeper level, I am continually reminded that the success of ministry depends upon 'us' praying. I keep a "prayer notebook", recording prayer requests that I receive. I am always amazed to recognize how God does 'answer' prayer. I receive prayer requests from many in the district- from both pastors and 'laity'. The requests are recorded in my prayer notebook and I seek to faithfully pray for God to do His mighty work so that He is the One who is glorified.

A practice I have gotten into is to pray for the pastors in our district by name and for their churches. Often times I do this on Saturday mornings, asking the Lord – Almighty to do wonders during services that will be taking place on Sunday. Being a 'circuit rider' for the district has revealed to me specific prayer requests churches have, spurring me onwards to pray for them.

I also pray for candidates for ordination, who are going through the DBMD process.

Sometimes, when I sense the Lord moving me to do so, I will send a note to pastors letting them know that God has me praying for them... to encourage them and for them to know that they have not been forgotten.

I have sent some of the requests, upon permission from the "presenter", to Crossroad District Prayer Warriors. What a comfort to have so many in our district understand the importance of prayer and knowing that they are praying.

The following quotes on prayer touch my heart deeply as it pertains to our calling as servants of God. They motivate me to keep praying.

*"When we work, we work; but when we pray, God works." - Max Lucado*

*"God will do nothing on earth except in answer to believing prayer." - John Wesley*

*"Prayer is not just getting ready for Christian service. Prayer is Christian service." - Adrian Rodgers*

In the service of the KING of kings,

Rev. Dr. Jim "Umfundisi" Lo+

# Global Partners Report

Greetings Fellow Sojourners in Christ!

## **BANGLADESH**

It was an honor and privilege for Carol and I to return to Bangladesh this April for the 10th Anniversary Celebration for The Wesleyan Church of Bangladesh. Due to covid, a team from Crossroads District had not visited Bangladesh for three years. It was great to once again catch up with our old friends and partners in ministry! There have been some significant changes in these past three years, but Christ's Church there has continued to thrive and multiply! Rev. Tom Ensz has been appointed by Global Partners for oversight of Bangladesh and the South Asia Region. Rev. George Bose was elected the new District Superintendent as Rev. Joshe Bose transitioned into the role of South Asia Development Coordinator with Global Partners.

We are excited about the report from the District Conference of 9 new churches, 274 professions of faith and baptisms, with a total now of 65 churches and 2500 total members. Also, 2 Pastors were ordained and 1 transfer ordained Pastor from the Church of the Nazarene, as well as 11 licensed ministers. Bangladesh set a goal of 20 new church plants in 2023-24. This is truly amazing when the Church started in 2012 with 11 churches. It has been a blessing to have a front row seat these past 11 years to see this growth! To God be the Glory!

## **MOZAMBIQUE**

We are so thankful for God's sustaining provision for His church, and more specifically for the mighty Kingdom work going on in the nation of Mozambique. In a letter from Filipe Macaringue, President of Xai-Xai Bible College, he states, "We give thanks to the Lord for showing His grace in our lives and in the life of the college." Classes are going well as 28 students are enrolled at the Xai-Xai campus, with many of their families living on the college grounds.

Jim and Karen Pickett are still our Global Partners missionaries serving as teachers to the students at the college. Jim has remained on-site as Karen has needed to be stateside for a season. She is still able to maintain much of her teaching schedule through use of the internet. Continue to pray for them through this challenging season of their lives.

Pastor Abel Nove continues to lead the COW (College on Wheels) project in the northern regions of the country. College on wheels travels to the more remote provinces so the students don't have to incur the hardship of trying to make it to the south where Xai-Xai is located.

We are so thankful for the visionary leadership of the Crossroads District. Your continued prayers and financial support are greatly appreciated as we strive to expand God's Kingdom into the here, near, far and hard places!

In Service to the King of Kings!

# Next Gen - Children's Ministries Report

Summer 2022 kicked off with some wonderful camp opportunities for our children across the district. Between 3 different multi-church overnight camps, family camp and a few more day camp options, hundreds of our district children were able to enjoy some version of camp this past summer. This coming summer looks to be every bit as exciting for the children across the district. I continue to be a part of the leadership team for Fairmount Kids Camp as well as Family Camp and have been happy with the involvement at both camps.

Throughout the year, I have met, had phone conversations with many children's ministry leaders across the district to try and ascertain a good direction forward for our district regarding future training opportunities. I was able to speak at the district children's ministry training event held at Shiloh Park for the north district of the Nazarene Church in hopes that we could potentially develop a partnership in training and leadership development for children's ministry.

Jackie Kinney (Chapel Pike) is joining with me to make connections with every church across the district so we can develop cohorts for children's ministry leaders. We believe that the best way forward as a denomination is to pour into our next generation now so we can build a stronger church for tomorrow.

Respectfully Submitted,

# Next Gen - Youth Ministries Report

This past year our district students and youth leaders participated in various summer camps, the District All-Nighter, and conferences.

The summer held numerous opportunities for students to attend camps across our district, including but not limited to 3Fires, Fairmount, and NTS at Indiana Wesleyan. Shoutout to all our district leaders and camp directors who faithfully continue to put together summer camps in a way that allow students to safely experience a valuable part of student discipleship!

One of my personal highlights this past October was the opportunity to attend the first annual District Youth President retreat in Destin, FL. During this 3 day retreat, DYPs from across the country gathered to brainstorm and collaborate on ideas for FOLLOW Conference and to share ideas of how we each minister to our district youth and leaders. We also spent a day learning and discussing how to continue navigating conversations about human sexuality with students and leaders in a way that points them back to Scripture and adequately addresses the questions students are wrestling with today.

After the start of the new year, I enjoyed meeting with some newer youth leaders and pastors in our district. God is preparing some incredible young leaders and placing a burden for our students on their hearts, and it is exciting to hear their passion for where God has placed each of them!

In February, we gathered once again for our annual District All-Nighter in Ft. Wayne. We had 427 students and 83 adult leaders from over 20 churches across our district participate in the event this year. Special thanks to Lane Sander for his continued help with this event. Also special thanks to IWU for providing a student ministry team to lead worship and representatives to promote IWU Fusion.

Looking ahead, we are excited about the many opportunities that are available to both our district students and leaders. This summer, several camp options are once again being made available across our district. I hope to also provide more opportunities for youth leaders to connect, especially with other leaders near them. My goal as DYP is to Promote (events), Provide (support & opportunities), and Pray for our district leaders. I look forward to continuing to meet and minister to more of my brothers and sisters serving our students over the coming year!

District Youth President

# Senior Adult Ministries Report

This year has been another year given to extensive discussion and research into the interests of our Crossroads Senior Adults. Following several gatherings with interested groups of retired and soon-to-be retired people, the following potential activities have been identified as having significant interest.

(Please know that in conjunction with these events, we will be seeking opportunities to serve others in underserved communities. It is yet to be determined just what this will look like BUT this service will be a component of our ministry.)

## **SELF-TRANSPORT GROUP ACTIVITIES:**

- Hymn Sing and Dinner (Trinity – Indy, College Wesleyan – Marion, and Others)
- Conner Prairie for Balloon Ride and Concert
- Dinner Theatre (Beef N Boards and elsewhere...)

## **ONE DAY BUS TRIPS:**

- Cincy Reds
- Speedway Museum and Meal
- Victory Field Game
- State Park for Picnic Lunch and Games
- Auburn Car Museum
- Connor Prairie Events and Concert

## **ONE OVERNIGHT BUS TRIP:**

- Cincy Reds Game and Underground Railroad
- Shipshewana Concert and Meal
- Ark Experience and Creation Museum
- Ohio River Cruise
- Brown County

## **2024 – 2027 POTENTIAL ROAD TRIPS:**

- NYC: Ball games, Broadway Theatre, 9/11 Museum
- Pigeon Forge: Gospel Quartet Convention and Dollywood
- Branson, MO: Assorted Theatre and other Venues
- Nashville, TN: Grand Ole Opry Show and City Tour
- Niagara Falls: Area Attractions
- Washington, DC: 4th of July Celebrations and Monuments Tour

Your input, expressions of interest and opportunities for interaction are welcome. Please reach out as we seek to serve the Lord and seniors together!

# Task Force Report - Intercultural Ministry

The Intercultural Ministry Task Force were charged with the following by the Crossroads District Board of Administration at the close of the 2021 Conference year as follows:

- To assess current competency, design strategies, and provide practical tools for improving our intercultural effectiveness across the Crossroads District.
- At the conclusion two years, the Task Force are to present a summary report with recommendations to the DBA no later than April 30, 2023.
- Toward that end, the Intercultural Ministry Task Force has met multiple times over these last two years and reported back to the DBA on April 20, 2023.

## Summary of our Report and Recommendations Approved by the DBA

There is a growing gap between the gospel and our cultures. The Gospel Gap requires a Kingdom Force which is multigenerational, multiethnic and multi-economic, women and men, lay and clergy, everywhere to everywhere. We must intentionally mobilize each of these Kingdom Force groups, as we:

- Develop local churches as laboratories for modeling inclusion rather than exclusion.
- Rejuvenate the Church through intercultural understanding birthed in learning from the Word of God, prayer, and practicing the sacraments.
- Launch Focus Groups to meet in various regions to provide ministry development opportunities for greater exposure and appreciation of intercultural ministry.
- Strategically coordinate multi-ethnic gatherings to create a more intercultural understanding.

Toward that end, the following tools and findings were developed by this Task Force:

- Intercultural Skills Inventory was presented to the 2021 District Conference.
- Intercultural Skills Inventory Questionnaire Results were reviewed and reported on Graphs.
- Resources for Church Leaders: Bridging the Cultural Divide PowerPoint Presentation by Dr. Yamil Acevedo.
- Crossroads District Demographic Snapshot.

We proposed the following recommendations in order to take practical steps of implementation toward Intercultural Ministry for Crossroads District churches and communities as follows:

- To raise sensitivity among predominately white Anglo churches in areas of strong ethnicity. Based on the demographic study presented to our Task Force, 1/3 of those predominately white Anglo churches are in strong ethnic areas. We are encouraged to celebrate churches growing and making strides in intercultural relationships, as we set a goal for the number of churches we would like to partner with in underserved communities in order to empower them. Underserved areas are those where there is scarcity in access to education, transportation, health food options, health care, Social services, and safety. Studies show that by the year 2052, the nation will be composed of non-Anglo ethnicity.
- To encourage Pastors and key leaders to be part of the communities where these intercultural ministries are being targeted. This includes developing individual friendships & relationships utilizing the Intercultural Skills Rubric previously shared. We recommend that pastors partner with community organizations to strive for more intercultural awareness and sensitivity. To strive for racial and intercultural understanding by building bridges and encouraging bridge events. By targeting churches in communities where there is ethnic strength, we can tap into opportunities to extend the reach of those churches leading to new church plants. We will then be celebrating church planting while making strides in cross-cultural growth.
- To develop as a team 2-3 local churches that will serve as models/prototypes of this intercultural ministry initiative with a \$5,000.00 Matching Grant provided as an incentive. We will then invite a group of churches into this newly developed learning community starting after the 2024 District Conference.
- In order to sustain the implementation steps summarized in this strategy, the Intercultural Task Force has transitioned to an Intercultural Ministry Team for the next two years, with an evaluation by the DBA at the one year mark.
