

Request for Ministerial Staff Person
(must be completed annually for each ministerial staff person)

To be listed in the Journal, the following regulations apply: (1) To be an associate pastor or assistant pastor, the staff person must be an ordained or licensed minister. An associate pastor is elected annually by the local church conference, and an assistant pastor is appointed annually by the local board of administration. (2) Any other ministerial staff person requested by the LBA must be a ministerial student, a special worker, or a lay minister. Anyone listed in one of these categories must be enrolled with the Department of Education and the Ministry and must be taking, or have already taken, the classes E&M requires for their credentials. Licensed ministers, ministerial students, and special workers are supervised by the DBMD, while lay ministers are supervised by the local church.

Please complete the following information, using a separate page for each ministerial staff person you will have in 2019-2020 who will be working at least 15 hours a week. Please submit your completed request(s) to ds@crossroadsdistrict.org, with copies to roxene@crossroadsdistrict.org and chris@crossroadsdistrict.org. **Please be advised that all new staff positions and/or staff personnel must be approved by the DBA before the staff person is hired.**
